Summer 2021

Dear Parents,

Every summer, we have parent camp shows during the last week of camp. You are invited to attend your child's show on Wednesday, August 18<sup>th</sup> or Thursday, August 19<sup>th</sup>. If your child attends camp both days, please feel free to come either day. The shows will be held in our amphitheater. If it's raining, they will be held at our upper tent. Please note that there are no camper shows on Friday so these are the only two days to see the shows.
